IMPORTANT NOTES

Only these courses meet the University Core Curriculum (UCC) requirements, and all must be taken for a letter grade. UCC courses may not be taken at other institutions without permission from the Dean of Undergraduate Studies. Pre-major requirements are available at the Academic Advising Center Website listed below. Students are ultimately responsible for meeting with advisors to plan course schedules and review important academic policies and procedures.

GORDON RULE REQUIREMENT

Courses in the following areas are considered Gordon Rule: English Composition, Humanities with Writing, and Quantitative Reasoning. A grade of "C" or better is required in these courses. Intensive writing courses require demonstration of college-level writing skills through multiple assignments. Gordon Rule courses must be completed within the first 60 credits.

ENGLISH COMPOSITION

Placement into ENC 1101 will be based on SAT/ACT scores. Students may be required to take ENC 1930 Essay Writing prior to enrollment into ENC 1101. Students should see an advisor for clarification.

Students w/> 30 transfer credits may be able to substitute the following for ENC 1101 ENC 1102

- ENC 2301 Expository Writing (3 cr)
- (and then one of the following)**
- ENC 3211 Report and Technical Writing (3 cr)
- ENC 3311 Advanced Writing and Research (3 cr)
- ENC 3317 Writing Across the Curriculum (3 cr)

AP, TRANSFER, AND DUAL ENROLLMENT CREDITS

Students must consult with an advisor about these credits to determine course equivalency toward UCC requirements.

EXEMPTIONS:

a) Quantitative Reasoning:

Transfer students who have successfully completed MAC 1105 (College Algebra) at another institution prior to admission to FIU will be deemed to have completed one math course for the purposes of the UCC.

b) Natural Sciences:

Transfer students who have successfully completed one or both science courses without labs at another institution prior to admission to FIU will be deemed to have completed the appropriate components of the science requirement.

c) Honors College:

Students in the Honors College who have satisfied designated Honors Courses will be deemed to have met sections of the UCC requirements. Students should check with an advisor for clarification.

ELECTIVE CREDIT REQUIREMENT

The number of electives students need varies; elective credits are needed in addition to the UCC to reach 60 credits (Junior standing). Electives should be selected with the aid of an advisor and are intended to help the student's academic and career goals.

INTENDING A MAJOR

After completing 30 credits students may intend a major in the Advising Center. After earning 60 credits, students officially declare their major in the Registrar's Office.

CLAST EXAM OR EXEMPTION

All students must meet with an advisor after completing 18 credits, and before earning 60, to discuss either taking the CLAST exam or applying for the CLAST exemption.

ACADEMIC WARNING AND PROBATION

Students are required to meet with an advisor immediately after being placed on Academic Warning or Probation.

SUMMER ENROLLMENT POLICY

Students who transfer into the University with fewer than 60 credits must earn at least 9 credits during one or more summer semesters to be eligible for graduation.

SASS REPORT

A SASS report is an unofficial copy of a student's academic progress. An advisor may assist students in understanding SASS. Students must bring their SASS to all advising sessions. A SASS report may be obtained via kiosk machines, FIU web page, or SASS office.
