### Requirements for Pre-Dental Professionals

#### Choosing a Major:

- See an Advisor
- Pre-Dental students must choose a major (pre-dentistry is not a major).
- Commonly chosen majors include biology, chemistry, biomedical engineering or physics. However, **any major is acceptable**, so long as students complete the pre-dental requirements.

#### Qualities of Professional School Applicants:

1. A high GPA in science and non-science courses – a competitive GPA is above a 3.4
2. High Scores on the Dental Admissions Test (DAT) – a competitive score is 20 on both the Total Science and the Academic Average.
3. Active in volunteer/work experience/extracurricular events – join a pre-health student society (FIU Pre-Dental Society, MEDS, AED).
4. Has significant clinical experience – shadowing & volunteer work are essential!
5. Well known by professors.
6. Great letters of recommendation and evaluations.
7. Have a strong, working relationship with the Pre-Health Advising Office!

### Common Pre-requisites for Admission to Dental Schools:

#### Biology

BSC 1010, 1010L (General Bio I & Lab)  
BSC 1011, 1011L (General Bio II & Lab)

#### General Chemistry

CHM 1045, 1045L (Gen. Chem. I & Lab)  
CHM 1046, 1046L (Gen. Chem. II & Lab)

#### Organic Chemistry

CHM 2210, 2210L (Org. Chem. I & Lab)  
CHM 2211, 2211L (Org. Chem. II & Lab)

#### Physics I

PHY 2053, 2048L (Gen. Physics I w/out Calc) OR  
PHY 2048, 2048L (Gen. Physics I with Calc)

#### Physics II

PHY 2054, 2049L (Gen. Physics II w/out Calc) OR  
PHY 2049, 2049L (Gen. Physics II with Calc)

#### Mathematics

MAC 2311 (Calculus)  
**-OR-** STA 3111 (Statistics I) & STA 3112 (Statistics II)

#### Pre-Dental Students Must Take:

BCH 3033, BCH 3033L (General Biochemistry & Lab)  
**-OR-** CHM 4304, 4304L (Biological Chemistry & Lab)  
MCB 3020, MCB 3020L (General Microbiology & Lab)  
PCB 3063, 3063L (Genetics & Lab) \*

#### Recommended Courses (Not required):

PSY 2012 (Intro. To Psychology) \*  
Business related courses (economics, management, accounting)  
Art (drawing, painting, sculpture, ceramics)  
Anatomy & Physiology

\* Required by select schools.

**Requirements for professional schools may vary** (i.e. math courses, social sciences). Students should consult specific websites for information on requirements for desired schools.

#### **AP Credits**

- Not all dental schools will accept AP credit for science courses.
- Contact the school(s) you are interested in to find out if they accept AP credits.
- If a school accepts AP credits, they will usually require additional courses taken in that subject area

#### **GPA Calculation**

- ADEA AADSAS reports: overall GPA (undergraduate, graduate and combined); and these undergraduate GPA's: biology-chemistry-physics GPA (BCP); science GPA (all science courses including math, natural sciences and BCP; non-science GPA.
- AP credits are **NOT** computed into your GPA.
- ALL post-secondary coursework will be used to compute your GPA for admission.
  - ✓ Dual-enrollment and transfer courses **DO** count toward your GPA for admission.
- Dental schools **DO NOT** use "forgiveness" policies in calculating your GPA.
- DR grades do not count in your GPA. However, avoid DR grades. Dental schools expect students to carry a consistent, full-time course load.

#### **Application Cycle**

- The application cycle begins in early June for fall enrollment the following year.
- Applicants are encouraged to apply EARLY!
- Admissions offers can be extended starting December 1<sup>st</sup> for the next year's entering class.

#### **Professional Experience**

- Experience must involve dentist/patient observation (typical students have >120 hours).
- Students should have at least one year of experience through volunteer or paid positions.
- Students must demonstrate a knowledge of their chosen profession when applying to dental school
  - **NOTE:** Many otherwise well-qualified applicants are not accepted because they lack sufficient experience and or knowledge of their chosen profession

#### **\*\*Academic Advising\*\***

All lower-division, Pre-Health students must see an advisor in their Major Department in addition to an advisor in the Office of Pre-Health Professions Advising prior to registration each semester!
