

OUR VISION

The vision of the Florida International University Athletic Training Program is to be nationally recognized for advancing evidence-based athletic training education, research and clinical practice as well as for cultivating athletic trainers dedicated to life-long learning and professional engagement.

OUR MISSION

The mission of the Florida International University professional Master of Science in Athletic Training program involves a comprehensive educational approach to preparing students for a successful career in the athletic training profession by:

1. Teaching the basic and advanced knowledge and skills required to be successful in the athletic training profession through learner-centered didactic and clinical education components.
2. Instilling the critical thinking, problem solving, ethical reasoning abilities, and interpersonal skills required to be successful in the athletic training profession with regard to working with the physically active population.
3. Developing scholarly practitioners who appreciate advancing knowledge and critically examining the body of knowledge for evidence-based practice as a foundation for the delivery of athletic training care.
4. Encouraging students to become dedicated and professionally involved in the athletic training profession in terms of continuing education, leadership, and professional responsibility.

ACCREDITATION

This Program is Accredited by the

Commission on Accreditation
of Athletic Training Education

Visit www.caate.net for more information.

PROGRAM INFORMATION

The MS-AT program is a 6 semester (58 credits), full time program and includes 1000 hours of clinical experiences. Up to **25 students** are accepted annually. The program starts once each year in June.

ADMISSIONS REQUIREMENTS

- Bachelor degree from a accredited institution
- Minimum 3.00 GPA average (based on a 4.0 scale) in the last 60 credits of upper division courses of the bachelor degree
- Complete the following prerequisite courses with a minimum grade of "C":
 - ◆ Biology with lab
 - ◆ Physics with lab
 - ◆ Human Anatomy with lab (or A&P I)
 - ◆ Human Physiology with lab (or A&P II)
 - ◆ Nutrition
 - ◆ Statistics
 - ◆ Psychology
 - ◆ Kinesiology or Biomechanics
 - ◆ Exercise Physiology

APPLICATION DEADLINE

All applications are due **February 15th (February 1st for International Students)**. Applicants should use the Athletic Training Centralized Application System (ATCAS). To access the ATCAS System, go to: atcas.liaisoncas.com.

To complete the application process, applicants must submit the following:

- Official transcripts of all post-secondary institutions attended
- Three letters of recommendation (one must be from a faculty member)
- A curriculum vitae/resume
- A personal statement of professional and educational goals

Although not required, applicants should consider submitting the following:

- A cover letter
- A writing sample
