

Teaching & Learning Support for FIU Faculty*

Academic Integrity

Contact: Valerie George, georgev@fiu.edu; Ashley Medero, amedero@fiu.edu; 7-1892; integrity.fiu.edu

Aims to foster Academic Integrity at FIU as a reflection of the University's core values and in consideration of the cultural diversity of our FIU community. See website for policies and procedures related to academic misconduct and grievances, and for resources on how to teach in ways that promote both learning and academic integrity.

Center for the Advancement of Teaching

Contact: Leslie Richardson, teach@fiu.edu; 7-4214; cat.fiu.edu; GL 154

Seeks to recognize and cultivate learner-centered teaching throughout the university. Services include faculty book groups, weekly teaching tips, consultations, course observations, mid-semester student interviews, course design workshops, and more! Stop by GL 154 or email teach@fiu.edu with all of your teaching questions or ideas.

FIU Online

Contact: 7-3630; online.fiu.edu

Collaborates with faculty members to design, develop, manage, and maintain FIU's fully online and hybrid course offerings. Instructional design teams work closely with instructors to provide students with effective and engaging learning experiences. An instructional designer will be assigned and will reach out to you when you are scheduled to teach an online course.

Media Technology Services

Contact: 7-2284; it.fiu.edu/media-educational-technology; GL 150

Offers a variety of educational technology services to help faculty incorporate technology in and out of the classroom. Services include software training, instructional, audio/visual, and videoconferencing resources; among them, assistance with using Blackboard, i>clickers, Lynda.fiu.edu and other media. Visit the Resource Center in GL 150 for additional guidance, and see website for details.

Office of Global Learning Initiatives

Contact: 7-4145; goglobal@fiu.edu; goglobal.fiu.edu; GL 466

Coordinates all aspects of Global Learning for Global Citizenship, a set of initiatives that engage students in multiple opportunities for collaborative exploration of real-world problems with diverse others. The OGLI offers professional development—both in-person and online—to all faculty and staff who wish to integrate global learning into their courses and activities. See website for details.

Online and Hybrid Teaching and Learning Team

Contact: Patty Delgado, 7-3013, pdelgado@fiu.edu; website coming soon!

Works alongside CAT and other FIU faculty development teams to provide professional development, consultations, guidance, and assistance with online and hybrid course development. 30+ on-demand, self-paced courses include Introduction to Online Teaching and varied Blackboard tools. Talk to your department about participating in FIU's hybrid program and/or teaching online.

Online Library Services

Contact: Sarah Hammil, hammills@fiu.edu; Melissa Del Castillo, medelcas@fiu.edu; libguides.fiu.edu/faculty

Sarah and Melissa are your point people when it comes to incorporating library resources and services into your online courses. They can help you identify relevant library resources, develop assignments that focus on research, create library-specific resources for your courses, and conduct library research sessions in your course.

STEM Transformation Institute

Contact: Robert Brown, Coordinator of Admin. Svcs., 7-7683, brown@fiu.edu; stem.fiu.edu; AHC4 323

Dedicated to advancing STEM education research and instructional change that utilizes evidence-based practices. Hallmark programs include a Learning Assistant (LA) program; FIU-HHMI Faculty Scholar program; multiple NSF-funded STEM education initiatives; Modeling Instruction; and the STEM teacher preparation program (FIU-TEACH). Faculty can apply to become STEM TI Fellows.

Writing Across the Curriculum

Contact: Kimberly Harrison, Director, harrisok@fiu.edu; Jen Bartman, Associate Director, jbartman@fiu.edu; wac.fiu.edu

Supports all faculty who teach with writing. Consultants can assist with projects such as designing writing assignments, scaffolding assignments, creating grading criteria, and providing feedback on student writing. WAC also offers consultations with academic units, workshops, custom workshops for specific programs, and grant opportunities. See website for more information and a selection of writing resources.
