Your To Do List!

Complete this checklist prior to meeting with your academic advisor. This will allow your academic advisor to work more effectively with you in developing your personalized academic/career plan.

1. Take MyMajorMatch
   This 20-minute online tool assesses individual interests and values and matches those with FIU majors and careers. MyMajorMatch has received very positive reviews from FIU students exploring majors and career options. To access MyMajorMatch, go to http://my.fiu.edu (under “admissions”). After enrolling, the tool can be found under “academics.”

2. Visit MyMajor.fiu.edu
   This searchable database includes admissions criteria, career opportunities, and major maps (term-by-term course plan) for all FIU undergraduate majors.

   This website is especially useful for students looking to follow a step-by-step model to finding an appropriate major.

4. Visit http://gsi.fiu.edu
   This “umbrella” website offers information about Undergraduate Education’s Graduation Success Initiative (GSI), which centers on helping students find appropriate majors and graduate on time. It also includes additional information and links to other resources.

5. Consider taking one of our new Major and Career Exploration courses
   These courses are designed for students who prefer to have a little more time and guidance to explore all their options. These courses may be used as elective credit toward graduation.

   ✓ SLS 1402: Discover your Major (1 credit): This course is designed for freshmen in an exploratory track. Through the process of self-exploration and career planning, students will learn how to match their interests and skills to an appropriate major/career.

   ✓ SLS 3407: Major and Career Exploration (1 credit): This course is designed for sophomores and transfers in an exploratory track or in a major they are reconsidering. Through a process of self-discovery, students will clarify interests and skills as related to an appropriate major/career. By the end of the course, students will develop a definitive major/career action plan.
