Online registration will be open April-August 7th:

NSE Students will have access to register themselves online April-August 7th. Please visit the FIU registration website at http://my.fiu.edu (Panther ID# required). The online Fall 2015 class schedule can be viewed by clicking on the interactive class schedule. We recommend that you take the online tutorials available in order to familiarize yourself with our registration system (called Panthersoft). When choosing your classes, please remember that we have two main campuses—Modesto A. Maidique Campus (MMC) and Biscayne Bay Campus (BBC).

Prerequisites for Courses Deadline: If you are planning to register for any courses with a pre-requisite, please notify us directly and immediately!! Such courses may require departmental prerequisite verification/equivalency checks. Although you have sent in transcripts, your courses are not inputted into our system and your prerequisites will not automatically be recognized. Course descriptions can be retrieved from the 2015-2016 online undergraduate catalog at:

http://catalog.fiu.edu/.

Attention!

August 7, 2015 is the deadline to finalize your class schedule. On this date, we will be adjusting your tuition (Plan A & B) for the NSE program. Please let us know of any changes to your schedule after this date.
