Evaluation and Selection of Fellows

A Truman candidate must be endorsed by an institution at which he or she has completed two years of full-time undergraduate study.

Once a candidate receives a university endorsement, candidates submit applications electronically via the Truman application portal. After the deadline, applications will be reviewed and winners will be notified by the Harry S. Truman Scholarship Foundation.

Crucial factors in the selection of Truman scholars include literary and scholastic attainments, integrity of character, interest in and respect for one's fellow beings, the ability to lead, and the energy to use one's talents to the full.
