The Marshall Scholarship is awarded annually to a college or recent graduate that is a U.S. Citizen. The goal of the scholarship is to support young Americans of high ability to study for a degree in the United Kingdom. A Marshall Scholarship is tenable for two academic years (i.e. 22 months), but may be extended to a third year by the Commission on a limited basis. Candidates are invited to indicate two preferred universities, but interest in studying at universities other than Oxford and Cambridge is particularly welcomed. Each year at least ten students are selected as Marshall Scholars. To learn more please visit the Marshall Scholarship Website.
